jobs@bandondunesgolf.com

Primary Duties:

- Inspect turf, shrubs, lakes, and other outdoor club areas to determine chemical, pesticide, herbicide and fertilizer needs.
- Apply chemicals, pesticide, herbicide and fertilizer as appropriate to maintain the proper condition of golf course and grounds according to Company standards.
- Implement Integrated Pest Management practices in the care of the course and grounds.
- Recommend products, equipment and suppliers. Submit purchase orders for products, supplies and equipment as needed with attention to budget limitations.
- Maintain inventory of products. Ensure all safety procedures are followed with respect to storage and use of all products and supplies.
- Maintain accurate usage and safety records for all applications in compliance with Company procedures and local, state and federal laws.
- Train and supervise staff as needed.
- Perform preventive maintenance on all assigned equipment.
- Maintain current Certified Application Specialist licenses as required.
- Assist in preparation of annual budget for department.
- Assist in course set-up and other course maintenance procedures as required.
- Maintain knowledge of current and projected industry developments through continuous attention to golf industry periodicals and participation in relevant trade associations and organizations.
- Assure the efficient and timely submission of all required reports.
- Perform other duties as appropriate.

Qualifications:

- High school required.
- 1 year experience in golf course maintenance and spray applications.
- Valid driver's license meeting Company safety standards.
- Certified Application Specialist license.
- Demonstrated quality written, verbal, and interpersonal communication skills.
- Ability to analyze and solve problems; efficiently handle multiple duties under pressure with minimal supervision; work flexible hours as required including nights/weekends.
- Positive attitude, professional manner and appearance in all situations.

Candidates interested in applying for this position must meet the minimum qualifications for the position. To apply, please forward a completed application with cover letter and resume prior to the closing date. Complete job description available upon request.
